保良局以「保赤安良」為創辦宗旨,植根香港超過 140年,每年服務人數達 30 萬,是本港其中一個規模龐大的社會服務機構。本局創辦初期,以防止誘拐,保護無依婦孺、協助調解家庭與婚姻糾紛,發展至今,服務範疇已擴展至包括「家庭」、「幼兒」、「兒童及青少年」、「康復」、「安老」,以及「醫療健康」等,服務單位超過 200 個,為有需要人士建立安全網,回應社會不同需要。

Our school, Po Leung Kuk Lee Shing Pik College is a well-established government-aided co-educational grammar school established by Po Leung Kuk in 1982. Thanks to the support of the Kuk and the concerted effort of our staff, we have been able to contribute to the nurture of future leaders for the community.

Po Leung Kuk has been serving Hong Kong for over 140 years with the core vision of "Po Leung", translating literally as protection of the young and the innocent. As one of the largest social service organizations in Hong Kong, the Kuk serves over three hundred thousand people every year. At the early stage, the Kuk's service mainly focused on abduction prevention, women and children protection and family counselling. To echo with rapid social development, the service has expanded to all walks of lives, ranging from child care to elderly care with over two hundred serving units.

校長的話 Message from the Principal

保良局李城壁中學自 1982 年創校起始,秉承保良局的辦學宗旨,教導學生以行善、感恩惜德為本,並秉承「愛、敬、勤、誠」之校訓為人生座右銘。我們期望每一個學生,都能在學校、老師以至朋輩的關愛下成長。我們期望同學能敬愛長輩、做事認真、敬業樂群、知法守規。我們期望同學勤奮上進、好學不倦、認真學習,待日後學有所成,為社會及國家作出貢獻。

我們的辦學信念是「所有孩子都能夠學習」,不管孩子來自哪一個地區、哪一個家庭,他在保良局李城璧中學都享有充足的學習機會及接受啓導。我們也相信,孩子們可以「在實踐中追求進步」,透過主動嘗試,不斷實踐;配合學校的資源和老師的指導;孩子們能享受學習進程,更能超越自己、不斷進步。

我們的辦學方針是「德智體群美五育並重」,希望同學在五 育均衡發展的同時,能做到兼顧全面學習,在參與多元活動 的過程中,發掘一己潛能與特長,使之成為終生不渝的志趣 及個人專長。

我們亦相信「不以規矩、不成方圓」,強調「教管兼備」,即教導學生明辨是非真理、明白遵守規則之意義的同時,亦要求學生遵守紀律及學會為自己的行為承擔責任;透過「教管兼備」的模式,最終能令學生養成自律精神。

The school motto "Love, Respect, Diligence, Integrity" of Po Leung Kuk Lee Shing Pik College is in line with the Kuk's objectives in delivering its educational services in Hong Kong. We expect every student at Lee Shing Pik College will be able to grow under the love and care of the teachers, staff and peers. We hope students can respect the others, be hardworking, responsible and devote themselves to learning throughout their lives and grow to be responsible citizens for the betterment of their society and country.

It is our belief that "every child can learn". No matter where and what kind of family a student comes from, he or she will have ample opportunities to learn and be inspired in our school. We also believe that children "learn by doing". Students can learn best and improve themselves through

在學生的成長教育方面,我們以「正向教育」(Positive Education)的原素,讓師生均能活出豐盛人生。全體教職員致力培育學生優良品格,鍥而不捨,成為學生學習的促導者,成長的同行者。期望學生能謙恭有禮、尊敬長輩、尊重朋友;勇於承擔個人及社會責任,從而開創一條康莊的人生大道,並成為社會棟樑!

experiential learning activities with the support of school resources and the guidance of teachers.

In our school, we place strong emphasis on the balanced development of all five educational virtues. It is our vision that through the participation in various activities, our students will be well developed morally, intellectually, physically, socially, aesthetically and be able to realize their full potential.

The school advocates the notion of "From Discipline to Excellence". We also believe that "coaching complemented with discipline" is the best way to develop students' self-discipline. Students are taught to tell right from wrong and understand the rationales behind rules.

For the personal growth of the students, the school adopts "Positive Education" elements which focus on well-being and flourishing that relate to all members of the school community. Our teachers are dedicated to becoming students' facilitators throughout their learning and self-discovery journey and their coach for personal growth. It is our goal to nurture our students to become humble and courteous individuals equipped with social and leadership skills, who can achieve excellence in life and make outstanding contributions to their community and country.

中文朗誦分享

本校中國語文科以「輕鬆愉快地學習中國語文及文化」 為課程設計目標,透過不同的活動形式來讓學生在課堂 內外都能開心地學習,傳承中華文化的美德。

首先,在課程設計上,針對他們的學習差異設計了一系列的校本教材,透過調節教材的難易度,使其更貼合學生的學習需要,有效地提升他們讀、寫、聽、說的能力;

其次,在活動上,我們舉辦了中華文化學習日,活動包括傳統民間遊戲嘉年華、多元的文化藝術工作坊(團扇、燈籠、書法、燈影戲等工作坊),互動劇場、文化知識比賽及華服表演等。活動呈現了中華幾千年的人類文明和生活智慧,帶給了學生一個不一樣的文化體驗,讓學生能穿越千年與古人對話,讓學生學習中華文化,感受傳統文化之美。

我們鼓勵學生參與朗誦、散文、標語、新詩創作等多類型的 比賽,務求讓學生實踐課堂所學的語文知識。透過比賽,與 同儕競技,見賢思齊,有所裨益,增添自信,肯定自我,在 課堂以外獲得更多研習語文和討論中華文化的機會。

中文科致力建構愉快的學習環境,望能有助學生提升對中華 文化的認識及興趣,從而激發他們的學習意欲,促進他們的 自主學習,在日常生活中發掘語文和文化魅力。

English Together We INSPIRE

Welcome to the English Department at PLKLSPC where every student is embraced as a unique individual, brimming with untapped potential and destined for greatness. Here, we empower our students to shine, immersing them in a captivating global perspective that broadens their horizons and ignites their curiosity. We cherish the richness of our diverse student body, recognizing that each student is distinguished for who they are and what they can become. Our dedicated faculty fosters an inclusive and supportive environment, where every voice is valued, and every idea is encouraged. Join us on this remarkable journey of self-discovery and academic excellence, where students illuminate the world with their brilliance!

Nurturing Creative Excellence

We foster a deep love for writing and provide our students with a nurturing environment to explore their creative voices. Our dedicated faculty instills a passion for literature, language, and expression, helping students develop their writing skills to new heights. Last year, our talented students truly excelled, as they garnered an impressive array of prizes in various writing competitions. earning an impressive array of prizes in various writing competitions. Their achievements not only celebrated their individual talents but also filled us with immense pride, showcasing the exceptional caliber of our English Department and its remarkable students!

A Joyful Expedition of Language and Culture

Our team believes that learning English is an adventure filled with laughter and cultural exploration. Our dedicated teachers go above and beyond to create a light-hearted atmosphere that sparks joy and enthusiasm among our students. As a testament to our commitment, last year during our vibrant English week, the English teachers embraced the spirit of cultural diversity by donning costumes from different countries. We became living models of language and culture, inspiring our students to immerse themselves in the richness of global communication. Unlike the traditional approach to the subject, learning English is surely a journey of linguistic discovery, where language comes alive, and the world becomes our classroom.

數學科 Mathematics

思維靈活 創新教學

Flexible thinking and Innovative teaching

本校數學科著重邏輯思考,期望學生先認知、後理解,再以日常練習將知識植入記憶,並能融會貫通應用數學知識於其他學科及日常生活中。本科的「自學評測」套裝讓學生培養多元學習的模式,開拓課後的課時,習慣善用教學短片進行自學,並從測驗中檢視學習成效,提升整體的學習效益。為進一步推進學習效能,本科亦善用自攜學習裝置(BYOD)的優勢進行課堂活動,包括個人化照顧學習的數學互動習題(Question Generator),及以影片形式遞交家課,讓學生用文本以外的方法解釋解題思路,並與其他同學分享影片,從而促進同儕互學、加強學生表達能力及演說技巧等。

本科亦致力提升學生學習興趣,課室以外提供多元學習機會,包括「數理魔術班課程」,讓學生利用數學及科學知識理解魔術原理,從而設計精彩的魔術表演;另外還有數理周、數學學會活動、STEAM學習活動等,豐富學生的數學經歷。

Our school focuses on logical thinking in Mathematics, emphasizing cognitive recognition before understanding. We encourage students to implant knowledge into memory through daily practice and apply mathematical concepts to other subjects and everyday life. The "Self-Study Assessment" package in our curriculum promotes diverse learning modes and encourages students to utilize instructional videos for self-study. Assessments help evaluate learning outcomes and improve overall effectiveness.

We also use Bring Your Own Device (BYOD) to enhance classroom activities, including personalized math exercises (Question Generator) and video submissions for homework. This cultivates problem-solving skills

本校學生参加了數學思維教育舉辦的「數學思維大激鬥 2023」,其中三位學生獲得個人銅獎、兩位學生獲得個 人銀獎、中三組獲團體優異獎;而參加「保良局主辦的 第二十五屆香港青少年數學精英選拔賽」的學生亦獲三 等榮譽獎。學生能參與校外比賽與友校切磋,擴闊眼界, 從面對挑戰中學習,獲益良多。

beyond text and encourages peer learning, expression, and presentation skills.

To foster interest in learning, we provide various opportunities outside the classroom such as the "Mathematical Magic Class" where students use math and science knowledge to understand magic principles and design captivating performances. We also organize events like Math and Science Week, Mathematics Society activities, and STEAM learning activities to enrich students' mathematical experiences.

Our students participated in the "Mathematical Thinking Battle 2023" by Mathematical Thinking Education. Several students received individual awards, and a team received a group excellence award. These external competitions broaden students' horizons and provide valuable learning experiences.

Learning Japanese culture through diverse learning experience

於 2021-2022 年度·本校將日語課程納入正規課程。 除了增設高中的選修班外·更於中二增設初

階日語課,讓同學及早接觸外語,培養興趣。我們深深明白,學習外語最大的困境在於缺乏語境,因此本科積極與各單位合作,推動活動式教學。例如茶道班、弓道體驗、風呂敷體驗,更與日本領事館合作舉行花樣壽司體驗及與香港日本人學校進行網上交流,期望透過舉行各式各樣的活動,讓同學於過程中全方位加強其聽說讀寫能力。同時,透過認識多元文化,培養學生成為見多識廣的人

the public exam attained A for two consecutive years. Some of them attained Distinction in speaking. Their outstanding performance is encouraging.

Besides, the course of Japanese Language has been integrated to the regular curriculum of our school. Various activities related to Japanese culture including Japanese tea ceremony, Kyudo experience, Japanese cuisine class and so on have been held. They also interact with Japanese people online. All these help students enhance their reading and speaking skills.

日新月異 探求新知

Exploration of New Knowledge Through the Ever-changing World

本課程強調科學知識對科學與科技發展的重要性以及其對社會和環境的影響。課程內容包括科學、科技、社會和環境的學習範疇。透過本課程,學生將加強對科學與其他 STEM 相關學科之間的聯繫認識,培養他們對世界的好奇心,並強化科學思維能力。透過探究的過程,學生將理解科學的本質,並獲得所需的科學知識和科學方法技能,以幫助他們評估科學和科技發展對社會和環境的影響。

為了因應不斷變化的社會發展,本校致力於透過生活化的科學學習方式來提高學生的興趣。此外,本課程鼓勵學生積極參與各種科學活動和比賽,例如邀請大學講師來為學生進行實驗,拓寬學生的視野。

同時,本校也為具有潛力的學生提供報名參加科學比賽的機會。如我校有四位學生參加了海洋公園舉辦的「海洋公園 STEAM 學生大賽」,並獲得了亞軍的榮譽。

Our curriculum emphasizes the importance of scientific knowledge in the development of science and technology, as well as its impact on society and the environment. The course covers the realms of science, technology, society, and the environment. Through this course, students will enhance their understanding of the connections between science and other STEM disciplines, cultivate their curiosity about the world, and strengthen their scientific thinking skills. Through the process of inquiry, students will grasp the nature of science and acquire the necessary scientific knowledge and skills to help them assess the impact of scientific and technological development on society and the environment.

In response to the ever-changing social development, our school is committed to enhancing students' interest through a contextualized approach to science learning. Additionally, this course encourages students to actively participate in various science activities and competitions, such as inviting university lecturers to conduct experiments for students and broaden their horizons.

At the same time, our school also provides opportunities for promising students to participate in science competitions. For example, four students from our school participated in the "Ocean Park STEAM Student competition" organized by Ocean Park and achieved the first runner-up.

歷史彩

積極帶領學生「走出課堂」,從真實的歷史場景中學習歷史。去年帶領學生進行實地考察,參觀位於深水埗的一級歷史建築一主教山配水庫,以及走訪昔日拍攝港產片的橫街窄巷,讓學生認識身邊事物的歷史。此外,學生亦積極參與「小小歷史學者計劃」及「初中歷史科電子閱讀獎勵計劃」等不同活動以延伸課堂以外的學習。

中國歷史科

舉辦電影長津湖放映會及參觀故宮博物館活動,讓學生正確認識國家歷史並建立國民身份認同感。

經濟科

本校於中三級引入理財教育課程,教授學生正確的理財 觀念,教導他們做一個精明消費者及掌握基本財務管理 的技能;鼓勵所有修讀經濟及企會財的學生參加不同的 營商創業計劃,為香港培養新一代創業家,放膽創新和 具有公民意識的人才。

Economics

Financial management course has been integrated to the F.3 curriculum in order to educate our students on relevant concepts, such as how to be a wise consumer and basic skills on financial management. It also encourages students who study Economics and Business, Accounting and Financial Studies to participate in various business start-up programmes.

地理科

本科學生能走出課室,透過實地考察去建構新知識,將 課堂所學應用於日常生活情境,從中理解人、地和環境 的關係,了解它們的相互影響及能夠運用地理知識和技 能解決三者之間的衝突。

Geography

Our students can step out of the classroom and engage in field trips to construct new knowledge. By applying what they have learned in class to real-

life situations, they can understand the relationships between people, places, and the environment. They can also comprehend the interplay and utilize geographical knowledge and skills to resolve conflicts among these three elements.

生活與社會科

本科積極舉辦不同形式的活動,藉以加強學生的公民意識,以及鼓勵學生對社會的參與和承擔,例如校內公民常識問答比賽。

公民與社會發展科

本科致力加深學生對國家、社會、人文世界和物質環境的了解,傳承中華文化,培養對國民身份的認同。同時,我們也鼓勵學生欣賞、尊重和接納不同文化和觀點,成為對世界、國家和社會有認識和負責任的公民。透過內地及本地考察、問答比賽等活動,幫助學生全面認識國情,建立正面價值觀和積極態度。

Building our Future with Research in Innovative Technology

本校積極推動科研活動,期望與特區政府一起積極培育年輕一代,裝備現今的年輕發明家成為優秀的創科和科研人才,推動香港建構成為國際創新科技中心。

本校將推行了一系列優化措施,推動創科人才教育, 從不同學習階段,全方位地為學生提供更多學習和實 踐機會,讓他們可以累積經驗,建立穩固根基,日後 能在創科領域上發揮所長。

Our school has been devoted to promoting activities on innovative technology research, hoping to nurture our future generation in equipping themselves to be an elite in innovation and technology as well as helping Hong Kong become the International Innovation and Technology Hub.

A series of enhancement measures has been implemented in our school to educate potential elites in innovative technology. In different key stages, our students are given more chances in learning and application. These can definitely help them build up a stronger foundation and thrive in the domain of innovative technology.

Stretching Students' Potentials

本校一向致力培養學生體育及藝術發展,透過多元學習,應付瞬息 萬變的社會。

體育科為學生提供不同形式的運動經歷,讓不同能力的學生在安全的學習環境中鍛鍊身體,透過運動培養堅毅的品格、明白成功非僥倖,必須下苦功等的道理。另外,體育科亦與港協暨奧委會奧夢成真有限公司合作,推行賽馬會「奧翔」計劃,及與禁毒處合作舉辦「動感抗毒羽毛球訓練班」,鼓勵學生在課堂及課餘時間能多做運動,培養終身運動及遠離毒品的良好習慣。

音樂 Music 體育及藝術教育

Physical Education and Arts Education

為提升學生對運動的樂趣,除了在體育課堂教授傳統運動項目如籃球、排球外,亦參與動感校園計劃,加入「新興運動」的體驗,包括地壺球,讓學生接觸不同的運動項目,達致一生一運動的目標。

而本校共有八支體育校隊,讓具運動潛能的同學能透過 有系統的專業訓練而發展所長,培養出過人的耐力及崇 高的體育精神,對同學個人成長有正面的影響。

藝術教育旨在培養學生的創造力和批判性思考,以提升 學生的審美觸覺、文化認知和有效的溝通能力。

初中視藝課程集中在「藝術創作」及「設計及傳意」, 高中課程著重培養學生的探究思維及在創作上的前瞻觸 覺。

音樂課主要通過欣賞、創作及演出,以多元化的學習形式,讓學生學習音樂知識、發展音樂技能與培養共通能力。本校設有校內音樂訓練計劃及中一級「表演藝術課程」,以延伸學生的音樂學習,提昇品格及培養正面價值觀。學生可自由選擇或經教師挑選後加入樂團,包括管樂團、手鈴隊、合唱團及木結他小組。

Our school has dedicated to nurturing students in the development of physical and arts education through diverse learning environment.

The Department of Physical Education has designed various activities to encourage students to engage in more sport games, develop life-long sports and maintain a drug-free lifestyle.

The junior form Visual Arts curriculum focuses on arts creation and communication design whilst the senior curriculum puts emphasis on nurturing students' sense of exploration on innovative creations.

Through different creation and performance, the Department of Music encourages students to learn the knowledge of music, develop music skills and nurture generic skills.

升學及生涯規劃組 Careers and Life Planning Committee

裝備自己 迎向未來

Equipping for the future

本校升學及生涯規劃組舉行一系列輔導活動, 讓學生認識各種升學及就業途徑,引導學生在 不同的階段作出探索,裝備自己面對現時複雜 多變的社會及工作環境,提升自學能力及學習 動機,令自己更投入及面對將來的挑戰。

Our Career Guidance Committee did not only introduce various study and career paths to our students, but we also organized a series of counselling activities to help our students discover their interests and strengths to equip them for the future.

本組透過參觀不同院校,升學講座,工作坊及輔導等活動,令學生建立清晰的未來方向,擴闊視野,繼而訂定目標志向。例如任教老師或升輔老師各自面見 2-3 位學生,跟進學生準備文憑試情況,協助學生調整學習方法以提升文憑試成績。本校更與保良局生涯規劃及理財中心「樂創人生」青年生涯導向計劃合作,提供了二十多節的生涯規劃活動,預早預備未來因科技發展而帶來的挑戰,提升個人的軟技能。

Our committee organizes visits to different educational institutions, seminars, workshops and counselling programs to help students establish a clear vision for the future. Our teachers will be meeting with two to three students to follow up on their preparations for the HKDSE and set study plans with them. To further enhance our students' competitiveness, our school is cooperating with Po Leung Kuk Life Planning & Financial Education Centre on a career guidance project providing around 20 career planning sessions for our students to better plan for their future.

北京創科文化交流考察團

為加深對祖國的認識,本校舉辦了北京創科文化交流考察團,除了到訪我們的姊妹學校 --- 北京市三里屯一中學校作文化交流外,同學亦參觀了當地的科學館及科技館以了解我國的科技發展。此外,團隊亦參觀了長城及北京兩個奧運場館一「鳥巢」和「水立方」, 兩者分別展現了古今建築的不同特色,叫同學嘆為觀止。

Beijing Science and Culture Exchange Study Tour

Our school organized a Beijing Science and Culture Tour. We visited our sister school, Beijing Sanlitun No.1 Middle School, for exchanges. Students explored local science museums and iconic sites like the Great Wall and Olympic venues. It was an awe-

inspiring experience. This tour provided firsthand experiences of China's culture, science, and architecture, broadening perspectives and deepening appreciation.

境外交流組籌辦各式各樣的海內外交流活動,包括遊學團、網上交流等不同方式讓學生接觸各地的青少年,進行文化交流。本校亦與多所學校締結為姊妹學校,恆常進行交流活動。境外交流組亦會支援不同科組籌辦境外交流活動,讓各科組可以針對教學主題,為學生提供更豐富的遊學內容。

除了境外交流活動,本組亦協助籌辦全校參與的全方位 學習活動,為學生提供真實情境,應用課堂所學在現實 世界中解難。在進行活動中,學生亦會學到更多新的知 識和技能,培養多元共通能力。

Our school fosters global citizens by expanding students' horizons. Through regional exploration and cultural exchanges, they gain insights and enrich career planning, opening doors for their future.

We organizes diverse activities, including tours and online exchanges, connecting students with peers worldwide. Sister school partnerships and subject-specific exchanges enhance study tour experiences.

These initiatives cultivate a global mindset, intercultural skills, and appreciation for diversity. Students become adaptable contributors in our interconnected world.

台港線上交流活動

本校同學與台灣的中學生定期進行線上研討,題目涵蓋不同的全球和地區議題,例如:聯合國可持續發展目標、兩地文化的異同等。透過深入探索不同議題,學生能夠建立全球視野,同時亦能培養共通能力。

Our school has been striving to foster whole-person development, hoping to help students strike a well balance between studies and extra-curricular activities.

講求多元智能與個人成長,栽培未來領袖 Leadership Training

本校重視領袖訓練與學習體驗,特意設立「校本領袖培訓計劃」。學生透過不同形式的訓練活動提昇自我,培養不同領袖素養,例如溝通及表達能力、解難技巧、創意思維與團隊精神等,為急速的環境轉變早作準備。

We value leadership training and experiential learning. Thus, we have been running a school-based leadership training programme to build up students' self-image and soft skills to prepare them for the future.

多元化活動,豐富生活經驗 Diverse Student-Centred Learning Activities

為發揮以學生為中心的自主學習,本校設立多達34個學會、15隊校隊及4隊制服團隊供學生自由選擇,活動分為學術性、體育性、藝術性、興趣性及服務性。眾學會活動皆由學生幹事籌辦,老師協作,提高學生的領導經驗及參與度。

本校更讓全校學生於「聯課活動日」中參與自選的學會活動,盼其積極參與,發揮所長,並增多與師生同樂的生活經驗。

To facilitate student-centred learning, our students are offered more than 33 clubs, 16 teams and 4 uniform teams to choose from. The activities are mainly organized by student committee members with minimal teachers' collaboration in order to enhance students' engagement and leadership training.

成長教育 Pastoral Care

自尊自律 積極正向

Positive Values Education

本校成長教育組透過全校參與模式,以支援學生成長需要,以 正向教育建立關愛校園,透過多元活動培育學生正確價值觀、 服務社群,提升學生品行,並重視家校合作,建立家校互信。

成長教育組由訓導及品格培育組、輔導組、價值觀教育組、 義工服務及學生支援組組成。透過訂立清晰的獎懲制度,以 及以正向教育方式教育學生、支援學生,務求為學生營造一 個愉快健康的學習環境。

當中通過級主任制度,全面照顧學生各方面成長需要,提升歸屬感;參與全方位學習活動、提升國民教育,培養學生正確的價值觀,使學生建立良好的品格,並提升國民身份認同感。

此外,本校亦大力推動服務學習,學生透過擔任義工大使、 義工領袖及 CYC Amazing Teens 及青協領袖培訓活動,加強 服務他人的意識,鼓勵學生成為一個熱心公益的青少年,本 校更榮獲香港青年協會認證為「有心學校」。

Our Pastoral Care Committee is made up of the Discipline and Character Building Committee, Guidance Committee, Values Education Committee, Service Learning Committee and Student Support Committee. The Committee supports students' personal growth by inculcating positive values with a whole-school approach and a clear reward and punishment system. We believe positive education and home-school cooperation are fundamental for creating a happy and healthy learning environment.

Service learning is one of our focuses. We strongly encourage our students to join voluntary work programmes such as CYC Amazing Teens and other volunteer leadership training programs organized by The Hong Kong Federation of Youth Groups (HKFYG).
